Dear Community Business Owners,

Fern Bacon Middle School has been an integral part of our South Sacramento community since 1947. The teachers and administrators of Fern Bacon Middle School have a rigorous curriculum to teach and a year of activities planned to provide a memorable experience for our 7th and 8th grade students. This year as we engage in learning, our goal is to expand our PE equipment to help students move more after the global pandemic.

We are writing in hopes of gathering donations from our community to purchase a Ga-Ga Pit. This unique pit will be **used by all students** outdoors and indoors and is easily portable, and the game focuses on inclusion, better peer relationships, and exposure to physical fitness.

The Ga-Ga Pit is durable, will last for many years and costs \$6,000. We are seeking tax-deductible donations from business' within the community before the October 27 deadline, and each business will be recognized on a banner displayed on the school campus. Each student represents a family of consumers who frequent business' near home.

We hope you will look at this opportunity as not only supporting your neighborhood middle school but as a chance to work alongside our student body as a whole, proving to them that their "neighbors" are invested in their success.

\$150 + – Donation Business Name Displayed on banner hung on school campus.
