

# TEST STRONG!

Take your time to do your best – This is the time to show what you know.

Evaluate your evidence closely to support your conclusions.

Sketch to see it; Draw a model; Diagram it.

Take a break; Stay positive; Flag and come back to it.

Sound reasoning is supported by relevant evidence; track the argument and cite the evidence you're given.

Tag it by using an asterisk to be able to come back if you need to.

Revise / edit as needed. Remember to review your test before you submit; every point counts!

Organize your scratch paper and work it out.

Need to know how to utilize your online testing tools.

Go Bulldogs!
